

# SCHOLARSHIP PROGRAM

## 2025-2026 APPLICATION

**Submission Deadline: January 10, 2025**

The Electrical Association will award two (2) Academic Scholarships of \$1,000 to be used towards the cost of tuition in the 2025-2026 academic year (CAN BE ANY YEAR IN COLLEGE) and (2) School-to-Work Scholarships of \$500 to be used towards the cost of tools in the calendar year 2025.

The scholarships will be awarded on a competitive basis. Members of the Electrical Association and their children, and/or wards are eligible. The applicant must reside in the greater Rochester area [consistent with the Association's bylaws]. Only one scholarship can be granted per person. Previous applicants are encouraged to reapply.

The scholarships are awarded without regard to race, color, creed, sex or national origin and will be awarded on the basis of merit. Each scholarship applicant will be evaluated on the basis of academic achievement and personal characteristics.

The applications will be reviewed by a Scholarship Selection Committee composed of non-Electrical Association members.

Each applicant is required to complete the appropriate application form and submit it with supporting documentation as noted on the application.

Academic Scholarships will be granted upon verification of attendance in an undergraduate program at an accredited school. Payment will be made directly to the school.

School-to-Work Scholarships will be awarded to individuals pursuing a career in the electric industry and participating in a training program to be used for the purchase of tools. The training program may be an apprentice program or other formal training program subject to approval by the Electrical Association Board. School to Work Scholarships will be granted upon submission of a properly completed reimbursement form.
